

European Biomass Industry Association

6th EUBIA Award 2008

European Biomass Industry Association

| Year | Conference/ Location | Company awarded | Justification |
|-------------|--|---|---|
| 2000 | 1 st World Conference on Biomass for Energy and Industry, Sevilla | COPERSUCAR | For its important programme for the development of ethanol production and bio utilization in the Brazilian sugarcane agri-industry. |
| 2002 | 12th European Biomass Conference and Exhibition, Amsterdam | ECOTRE SYSTEM, | Promising New technology for Agropellets' production. |
| 2004 | 2nd World Conference on Biomass for Energy and Industry, Rome | Boris E. Utria World Bank | In recognition of his outstanding contribution to the development of the Biomass Energy Sector and its market on the African continent. |
| 2005 | 14th European Biomass Conference and Exhibition, Paris | Ed Hogan Canadian Federal Energy Department | For his outstanding contributions to the advancement of the modern Biomass Industry and his initiation of number of joint technology projects under EU country programs as well as the Canada - EU Science and Technology Agreements. |
| 2007 | 15th European Biomass Conference and Exhibition, Berlin | FORD Europe | Pioneer in car engine and technology development using bio ethanol to power the engines (1920) and the first company in Europe to introduce flexi fuel car engine and create a new market. |

European Biomass Industry Association

Implementation of the first Multi-Process & Multi-Feed-Stock Integrated solutions for BioEnergies

European Biomass Industry Association

**First world Sweet-Sorghum Biorefinery
with high potential in bioethanol and power market**

European Biomass Industry Association

European Biomass Industry Association

European Biomass Industry Association

We have a pleasure to announce the
winner of the 2008 EUBIA Award

European Biomass Industry Association

The winner is

GLOBAL GREEN (E.U.) S.A.
Production, Investigation on Innovation (R&D)
RENEWABLE ENERGY TECHNOLOGIC INNOVATION
